

Publications for the Surface Coatings Industry

Awareness

Know the latest developments across the industry

Paint Titles

Rapid alerting service delivering bibliographic details of the most recently published technical, SHE and business articles.

WSCA

World Surface Coatings Abstracts: comprehensive coverage of the literature.

WSCA Alerts

Monthly extracts from WSCA on standard or personalised topics

Business and Markets

Stay current with key developments

Coatings COMET

Comprehensive news, interviews and analysis of **C**ompanies, **M**arkets and **E**conomic **T**rends worldwide.

COMET Search

The on-line, fully searchable version of Coatings COMET.

European Paint and Resin News

A concise summary of business news with an emphasis on Europe.

more ►

Safety, Health and Environment

Be prepared for future directives. Plan for their effect on your business.

SHE Alert

All the latest safety, health and environmental information.

SHE Alert Online

Ten years and more of SHE Alert on your desktop.

Technologies

Stimulate creativity, vital to innovation and growth.

RADNews

Information for and from the global radcure industry: news, new products, market information and technical summaries.

Waterborne and High Solids Coatings

In-depth reviews of recent journal, conference and patent literature on new materials, performance and formulation.

Dispersion Polymers: Technology and Applications

Critical reviews of recent journal articles, conference papers and patents.

Polymer Curing Technologies

Detailed abstracts from the recent patent and non-patent literature.

PRA Journals are available printed or as Adobe PDF format (single user). PDF versions are delivered by web download from a link e-mailed for each issue.

Special Offer: Receive the PDF format for only 25% of the usual price when ordered with the print version.

Multi-user PDF subscriptions and site licences for our online products are available — please enquire.
