

The PRA Membership has been refreshed to align with the needs of the Paint & Coatings industry to make the subscription affordable for all sizes of organisation. In addition, we are offering a range of new benefits aimed at providing your organisation with direct contact with our experts; business plan writing for scientists course designed to help scientists and engineers apply for internal project support; seed innovation & development within your organisation through the Innovation workshop, together with significant savings through the discount structure on IRFAB studies, training, conferencing and PRA laboratory services.

We look forward to providing you with all of the PRA member benefits and if you have any questions please do contact us,

Ian Hay, PRA Group Manager
